

The Wizard of Oz Summary

"Here comes the twister! Where is Dorothy? Get to the cellar, fast!" A wonderful adventure is coming to The Childrens' Theatre and it will take us to a place like no other! Our destination will be to see the Great Oz. We will discover that there really is no place like home.

Overcome by the mighty winds of a cyclone, Dorothy, a young Kansas girl, and her dog Toto, find themselves in magical Munchkin Land. Unfortunately, they land right on top of the Wicked Witch of the East and ---this is not good! All Dorothy wants to do is to go home to Kansas but she must find the Great Oz to make that happen. As she and Toto head down the yellow brick road to find the Wizard, they meet some new friends who each have a wish that they hope Great Oz can grant for them. Scrawny scarecrow needs a brain, a rusty tin man needs a heart, and a cowardly lion needs courage.

Of course, life is not always easy-lions and tigers and bears, oh my! Along the way, the Wicked Witch of the West and her flying monkeys try to get rid of these four intruders and claim Dorothy's ruby red slippers which will give her all of Oz! But, with the help of Glinda, the Good Witch of the North and the awareness that they already possess the qualities they were looking for all along, success soon comes to them all.

Where else but in this famous story can you find characters with such determination! You never know what lies over the rainbow! Enjoy!
